CRYSTAL HAND WASH LIQUID

An extremely gentle hand wash for all skin types, a carefully balanced product that contains the highest quality, naturally sourced ingredients which are known to be skin compatible and have proven themselves to be effective. A fruity scented Crystal Liquid Hand Wash contains the finest natural and nutritional ingredients to deliver topical benefits to your skin. Product fragrances are derived from the natural essential oils. Crystal liquid soap is clear and transparent, comes in a 250 ml & 500 ml bottle, with a white dispensing nozzle. To release an appropriately sized volume of soap, you depress the white nozzle, while maintaining a cupped hand under the end to catch the soap.

It lathers up well, it gets the dirt off your hands, and it leaves your hands feeling fresh and clean & it leaves a residual perfumed whiff on your skin after use. It leaves your skin feeling soft and smooth. Formulated with mild cleansers and soothing moisturisers, it effectively cleans and moisturises hands at the same time.
